

## *List of Merchants, Selling Items and Parts of the Adventurer's Equipment*

There is already a detailed list of honorable merchants and guild members selling items of the Adventurer's Equipment in the In-Game-Catalogue of B&B Manufacture, which can be purchased at Sepp Uldinger's Grocery. But I was forced to experience myself, that whenever I was looking for something special, the Catalogue was either not in my inventory, or if it was, it was very hard to find the merchant by alphabetical order of the shop names at the end of the book. Often I had to discover, that I was actually in the wrong town. So I had to do a lot of teleporting, which I cannot bear at all, because it makes me so dizzy.

So this is an individually printable copy of the merchant's listed by cities for your vest-pocket. But the whole thing begins with our friend Sepp at:
